PROFESSIONAL SUMMARY

Operations-rooted PM professional bridging process thinking with hands-on execution from refund workflow redesign to shipping a production portfolio website. Brings a rare combination of data precision, SOP design, and digital product delivery. Currently deepening PM expertise via PG at Duke CE (UpGrad). Seeking to apply operational rigour and product intuition to build scalable, user-centric solutions.

PROJECTS

Personal Portfolio Website — Ashwin Gupta ashwingupta.dev

Designed and deployed a fully responsive production portfolio for an AI Engineer- handled end-to-end UX layout, content architecture, and live Vercel deployment. Full product execution from concept to shipped product with zero handoff.

Case Study: Refund Process Optimisation casestudyrefundprocess.vercel.app

Mapped end-to-end refund workflow, identified friction points, and redesigned process with defined success metrics. Documented user pain points and process flows structured as a product discovery exercise.

PROFESSIONAL EXPERIENCE

Associate — Operations Management | **Gallagher Centre of Excellence, Bangalore** | *Aug 2024 – Aug 2025*

- Managed 200+ client policy records weekly with 100% data accuracy, reducing exception rates through improved validation processes.
- Built Excel dashboards tracking SLA adherence and exception trends, enabling data-driven decisions for process owners and leadership.
- Co-developed revised SOPs reducing process rework by 15%; mapped manual workflows to identify automation opportunities.
- Collaborated cross-functionally to resolve data discrepancies and streamline information flow across departments.

Administrative Assistant — Intern | **Maa Samaleswari Educational and Welfare Trust** | *Aug 2023 – Jan 2024*

- Coordinated schedules for 30 employees, optimizing task allocation and reducing downtime across departments.
- Supported system restructuring that improved data organisation and reduced administrative errors by 25%.

EDUCATION

PG in Product Management (Tech & Growth) | Duke CE, UpGrad | *2025 – Present*

BBA — Finance & Accounting | IFIM Business School, Bangalore University | *2020 – 2023*
